Attending Travel Grants ($ 150)
Details: 40 total, 7 awarded, 20 denied.

All attending awards are going to individuals who have never attended or presented at a conference. 2 of the students are working on a PhD and the other 5 are working on Masters degrees. 6 will be attending the conference with other students and faculty from Michigan Tech. 5 applications were not considered because the advisor did not provide verification of the student’s eligibility by the deadline. There were many duplicates.

Travel Grant Results
Fall 2013

Presenting Travel Grants ($250) awarded
Details: 65 total, 55 awarded, 9 conditional, 1 denied

Statistics: 65 total applications. 35/65 have previously presented at a conference against 30/65 that haven’t. 27/65 have received a travel grant in a previous academic year, while 38/65 have never received a prior travel grant from GSG. One applicant already received a travel grant in the summer, therefore the application was denied (students may apply only once per academic year, see GSG Bylaws).
